

**Community Council Minutes**  
**January 25, 2024**

**Members Attending:** Kyla Topham, Lizz Totten, Sara Thompson, Glen Andersen, Jodi Lewis, Darcey Spendlove

- 1. Acadience Reading and Math Scores:** Mr Andersen reviewed and explained the Acadience reading and math scores and how well we are doing. Springdale Elementary is experiencing very good growth in both areas, 77% typical or better growth in reading scores and 80% typical or better growth in math scores. Springdale has the most growth in the district. Mr. Andersen also informed the council that next year the entire district will be implementing a new reading/literacy program.
  
- 2. Trust Lands Budget for next year:** Last year the Trust Lands Budget was spent on paraprofessionals salaries and classroom supplies including the phonics program. The council agreed that money should be spent on a paraprofessional. If possible, all agreed that a school counselor would be hired through the TSSA budget. Parent nights on various topics to involve parents, family and community were also discussed and supported.

**Motion to Dismiss:** Lizz made a motion to dismiss, Darcey seconded. The next meeting will be March 21, 2024.
